Biographical Information/Professional Summary/Value Proposition:

John is a transplant from Dallas, TX and former member/volunteer of the Dallas PMI Chapter. Since 2016 he has called San Antonio home and is an active member/volunteer of the Alamo PMI Chapter.

John has always enjoyed interacting with people and one of his hobbies includes computer networking. This love for technology has led to a fruitful professional career that has lasted nearly 20 years. As a leader he has been responsible for teams consisting up to 200 global members, and as a project/program manager has been accountable for projects ranging from small to complex, and valued between \$5,000.00 and

\$50,000,000.00 plus. John is a strong advocate for professional networking and frequently brings co-workers with him to monthly membership meetings.

John holds a BS in Information Technology Management and a master's degree in business administration.
